

DREAM FORWARD COACHING

"Where clarity meets calling
AND PURPOSE BECOMES ACTION"

Dr. Alexis Ranay Jenkins is a transformational entrepreneur, Associate Certified Coach (ACC), CEO, and leadership consultant of **Dream Forward Coaching**, as well as the founder and President of **Youth Dreamers Inc.** She is an adjunct professor and sought-after speaker committed to empowering individuals and organizations to lead with clarity, confidence, and purpose. Based in the Greater New Jersey and Philadelphia area, she brings more than a decade of expertise in higher education, nonprofit innovation, and leadership strategy.

Dr. Jenkins launched **Dream Forward Coaching**, where she guides purpose-driven professionals through pivotal transitions in career reinvention, leadership development, platform strategy, and business growth. Her coaching approach blends faith, strategy, and actionable steps, helping clients transform insight into bold, measurable results.

She is also the visionary behind Youth Dreamers Inc., a nonprofit dedicated to equipping youth to lead, learn, and dream boldly through mentorship, education, and service. As an adjunct professor, she continues to shape the next generation of leaders, offering practical, real-world insights rooted in service and excellence.
